Re: Nygala Corp.
Flomo USA Decorative Tissue

Dear Sirs:

We represent, Glitterwrap, Inc. in its intellectual property matters.

Recently, it has come to our client's attention that Nygala Corp. and Shenny Enterprises, Inc. have been advertising, publicly displaying, and selling "Flomo" products that bear festive designs copied or derived from our client's original tissue paper designs used on its GLITTERWRAP® products. These acts constitute copyright infringement.

Samples of our client's design are shown on the attached Exhibit A. A comparison of the Exhibit A designs to Nygala's products, displayed in Exhibit B, show them to be virtually identical.

In view of this blatant infringement, we hereby demand that Nygala cease and desist all further production, sales and offers for sale of all decorative tissue paper that infringe any of Glitterwrap's copyrights. In addition, we demand that all retailers be identified and that all infringing products be immediately recalled and impounded. So that we may determine which other designs infringe Glitterwrap's copyrights, you are to provide one photocopy of each tissue paper design sold by Nygala.

If we do not have your unequivocal response by **July 20, 2007** confirming that Nygala has ceased infringing Glitterwrap's copyrights and has taken the above action, we intend to commence legal proceedings including preliminary injunction relief against Nygala and its customers.

Very truly yours,

A handwritten signature in black ink, appearing to read 'R. Haroun', written over the typed name.
